

XX International Symposium
**„Advances in the Chemistry
of Heteroorganic Compounds”**
Łódź, November 23 - 24, 2017

<http://xx-achhc.eu>

**Centre of Molecular and Macromolecular Studies
Polish Academy of Sciences**

and

**Section of Heteroorganic Chemistry
Polish Chemical Society**

in cooperation with

**Faculty of Chemistry
University of Łódź**

**Faculty of Mathematics and
Natural Sciences
Jan Długosz University in
Częstochowa**

**Łódź Branch
Polish Chemical Society**

take pleasure in announcing

**XX International Symposium
„Advances in the Chemistry of Heteroorganic
Compounds”**

and

**XVII International Symposium
on Selected Problems of Chemistry of Acyclic and Cyclic
Heteroorganic Compounds**

which will be held in **CMMS PAS in Łódź (Sienkiewicza 112)** on **23-24 November 2017 (Thursday and Friday)**.

The symposium is dedicated to

Professor Marian Mikołajczyk

(CBMM PAN, Łódź)

on the occasion of his **80th** birthday.

Participation in the Symposium is free of charge.

The symposium program will include plenary lectures and poster presentations. The plenary lectures will be given by Professors:

Marek Chmielewski (Institute of Organic Chemistry PAS, Warsaw, Poland),

Konstantin Karaghiosoff (Ludwig-Maximilian University, Munich, Germany),

Takayuki Kawashima (Tokyo University, Tokyo, Japan),

Oleg Ivanov Kolodiazhnyi (National Academy of Sciences of Ukraine, Kiev, Ukraine)

Jean- Pierre Majoral (CNRS, (LCC) Toulouse, France),

Wolfgang Weigand (Friedrich-Schiller-University Jena, Germany),

Masaaki Yoshifuji (Tohoku University, Sendai, Japan).

Please forward information about this Symposium to your Colleagues and Coworkers.

**Registration forms and abstracts for poster presentations should be submitted
by 22 October 2017.**

**Please find all detailed information, Registration and Abstract Submission
Forms on our website – <http://xx-achhc.eu/> .**

Head of Section of Heteroorganic
Chemistry

Professor Piotr Kiełbasiński

Chairman

Professor Józef Drabowicz
